3. Knockout Cup – Consolation Cup

As agreed at the last meeting, the knockout cup final was played over two legs, home and away and this seemed to work very well

4. End of Season Competitions

The 8pm start to the singles and pairs competitions worked and there was no over-run – however some said that turnout was lower. To be sure that there is not a difference between summer and winter attendance, it was agreed to keep it at 8pm start for the coming season and then review once more.

5. Tending Challenge

Another very close affair with it being 5-5 after the pairs, though Maldon should really have been in front at this stage. Super performances from Roy Laybourn who won with a 31.31 per dart average and Asa Cansdale Jnr who got the Man of the Match winning with a superb 32.32 average, and a special mention to Marg Johnson drawn out last a narrowly lost in a nailbiting finish to what could have been an overall draw!

6. Committee Vacant position

Due to Hardy's Bar no longer having a team and some ongoing health issues, Stuart Parkes has resigned his position on the committee. Dave Chapman from the Swan City had put his name into the hat for filling the vacant position. Despite Dave not being present, there was not any opposition to him standing. ***This was put to the floor and was unanimously agreed.***

7. League Start

The League will start on **Tuesday 15th September 2026**

8. League Format

It was agreed that the previous seasons change in format was a success, although it was proposed that the order of play change to be PAIRS, SINGLES, CAPTAINS, PAIRS, SINGLES

This was unanimously agreed.

9. Rule Changes

as the league format has changed because of the above vote, the following rules have been updated
